

Advertise at Bandix Dog Park

Target your most qualified prospects and customers by advertising on the parking lot fence at the recently-opened Bandix Dog Park in South Kitsap County. Every day, your banner will be viewed by dozens of dog owners whose presence at the park indicates that they are willing to go the extra mile to care for their pets.

Rates

Basic 2' x 4' banner \$200 per year

Fancy 2' x 4' banner \$300 per year

(The price includes a vinyl banner based on your business card or other information you provide. All the banners shown in these photos are "basic".)

For ease of accounting, we plan to renew all advertising subscriptions in July, so any new advertising purchased in September will be pro rated to **\$175 for the first year**.

For more information or to start designing your banner, call (253) 853-5787 (days) or (253) 851-2989 (eves) or email dogpark@vici.com.

Kitsap Dog Parks, Inc. (www.kitsapdogparks.org)

Our mission:

To promote the establishment of off-leash dog areas in Kitsap County and to operate off-leash parks in partnership with Kitsap County.

A little history:

Formed in 2003 when the city of Tacoma closed public access to the Tacoma Narrows Airport landing buffer (which had been an unofficial off-leash exercise area for more than 10 years), KDP sought an alternative site for an *official* off-leash dog park. Early contacts with Pierce County officials were discouraging, so founder Stan Stearns approached Kitsap County. Out of that discussion came the possibility of utilizing the Bandix Road site. Negotiations resulted in the creation of a non-profit corporation, a written agreement with the county, and months of hard work to prepare the park for its July 3, 2004 opening.
