

Dogs just wanna have fun!

Help them out by joining a group of volunteers working with Kitsap County Parks and Recreation to develop and maintain off-leash dog play areas.

100% of your contribution of money or time goes toward expanding the availability of dog parks in Kitsap County. Whether it's for maintenance of the new Bandix Dog Park or development of additional sites, you can be directly involved in the creation of unrestricted play spaces for dogs and people.
